Lincoln delivers your money —
when you want it

- Do you have commissions pending?
- Would you like to be paid now rather than later?
- Are you paid by direct deposit?

If you answered yes, yes, and yes, then you can use Payment on Demand (POD) to get your money now!

A great new tool on www.LFD.com

POD is a new tool on LFD.com that enables you to generate off-cycle commission payments, which will be direct-deposited into your account within 24 to 48 hours. POD is available right now, and you don't even need to sign up.

If you'd like to learn more, call 800 238-6252, option 1, option 1 or e-mail Commissions@lfg.com.

How does POD work?

For each producer ID, you may make one POD withdrawal per pay cycle up to 100% (70% in Puerto Rico) of your pending allowable commissions. Transactions must be at least \$500 but no more than \$250,000. This tool may not be available for renewal commissions associated with some products no longer available for sale.
